NGO/Non Profit Website

DONATION PLATFORM

About

This type of website is the most straightforward path for some potential contributors to know more about your organisation and to make their mind about whether or not they will make a donation. Assembling a site for your organisation is an essential advantage in demonstrating your authenticity and mission.

Utilize this type of website to advance ventures your association handles, urge devotees to make a move and for accepting donations. We understand that running a NGO comes with a limited budget and therefore created a special 'Budget Basic Site' option

*In order to qualify for this offer, NGO registration documents need to be submitted
